Question of Cyprus

Security Council
Seventy-second year

Letter dated 18 April 2017 from the Permanent Representative of Cyprus to the United Nations addressed to the Secretary-General

Upon instruction from my Government, I transmit herewith two documents detailing the infringements of international air traffic regulations and violations of the national airspace of the Republic of Cyprus by Turkey (see annex I) and the illegal use of closed ports by Turkish warships (see annex II) during the month of February 2017. It should also be noted that Turkish commercial aircraft systematically use the illegal airport of Tympou.

Furthermore, I wish to inform you that the occupation regime illegally issued three notices to airmen, on 6 and 28 February, relating to exercises conducted by the Turkish Air Force.

In addition, more recently, the occupation regime has started interfering with radio frequencies, including distress and emergency frequencies, of the Republic of Cyprus, thus obstructing the smooth operation of the NAVTEX service that delivers navigational and meteorological warnings and forecasts, as well as urgent maritime safety information, to ships.

The actions of Turkey are clearly aimed at undermining the sovereignty of the Republic of Cyprus, bolstering the continuing de facto division and upgrading the secessionist entity's status, by claiming a purported airspace over the occupied territory of the Republic. In addition, Turkey continues to systematically harass civilian and military aircraft within the Nicosia flight information region (FIR) via radio calls. Meanwhile, Nicosia FIR infringements of regulations and violations of the national airspace of the Republic of Cyprus continue unabated. The policy of Turkey of persistently breaching international law and defying international rules and regulations puts the safety of international civil aviation at risk, has a negative impact on the stability of the region and causes difficulties for air traffic over Cyprus.

It should further be underlined that the continuation of the illegal actions of Turkey creates tension during a critical period for the successful outcome of the ongoing negotiation process for a peaceful comprehensive solution to the Cyprus problem.

Please recycle

On behalf of my Government, I strongly protest against the continuing infringements of international air traffic regulations and the violations of the national airspace and the territorial waters of the Republic of Cyprus by Turkey and appeal for their immediate cessation. The Republic of Cyprus reiterates, in this respect, its call for adherence to the principle of sovereignty and non-interference enshrined in the Charter of the United Nations.

I should be grateful if you would circulate the present letter and its annexes as a document of the General Assembly, under agenda item 41, and of the Security Council.

(*Signed*) Kornelios S. **Korneliou**
